experience

Fairbanks Daily News-Miner — Fairbanks, Alaska

Copy Editor (October 2013 – present)

Choose and edit wire content, edit local stories and photo captions, design and lay out six to 10 pages per night. Also oversee the “Science & Technology” page as well as develop Web projects and interactive graphics.

The Columbus Dispatch — Columbus, Ohio

Copy Desk Intern (June – August 2012, May – September 2013)

Worked full-time on the copy desk, editing stories, writing headlines and photo captions, checking graphics and style.

The Post — Ohio University

Associate Editor (June 2012 – May 2013)

Produced the opinion page each day for the daily student newspaper. Supervised and edited about 10 columnists, curated letters to the editor and editorial cartoons, wrote editorials.

Copy Editor (January 2010 – June 2012)

Worked as a copy editor and slot and spent one year as assistant copy chief. Trained copy editors, led and communicated with staff and slotted during the late-night copy shift.

Reporter (September 2009 – June 2011)

Covered various news and events on and around campus. Took charge of the student government beat.

education

Ohio University 2013 — Athens, Ohio

B.S. in Online Journalism with a specialization in Computer Science and Mathematics at the E.W. Scripps School of Journalism.
